

Below is a complete listing of the 2020 state winners. "Localized" state judgments have now been successfully held in all 15 regions!

The complete list has been shared with the colleges and schools of art who sponsor the exhibition and offer scholarships. Most of the sponsor schools have extend scholarship deadlines. If you are a state winner, and a senior planning to attend one of the sponsoring schools, you may want to contact them regarding scholarship opportunities.

If your name, title, or school listed below is **misspelled or incorrect**, you can let us know by calling 614-272-1678. It will not get corrected here (on the website) but it will get corrected in our database (for certificates and catalog).

There will not be an awards ceremony, or an exhibition of the artwork, for the 2020 winners. As of early May most of the artwork has been returned to schools via the regional directors. Winners will eventually receive an award letter, a state certificate and an exhibition catalog. Top 25 winners will also receive their Awards of Excellence. These materials will be mailed and/or shipped to students (hopefully in June) at the home address that was provided on their entry forms.

Congratulations on your success! We hope this may be a bright spot, during this difficult time.

TOP 25 Award of Excellence winners:

Anderson, Preston	Olentangy Liberty High School	Tunnel Vision
Ashbrook, Nathan	Hilliard Bradley High School	River's Edge
Brooks, Ash	Liberty Center High School	And the Ships Rolled In
