Juror Request Form

Please fill out and return this form if your school would be interested in sending a juror to the State Judging on March 14, 2020. Sending a juror can be an excellent way to get students and teachers interested in your school. Jurors are welcome to collect student information for recruiting for their programs, or for the school in general. A \$100.00 stipend will be awarded to each juror to help offset time and travel expenses.

Name of School/Institution:

Name of Potential Juror:

Potential Juror's Area (medium) of Teaching:

Potential Juror's Studio Area (if they make art outside of the area in which they teach):

Contact Information for Potential Juror:

Phone: Email:

Filling out this form does not guarantee a spot on the jurying team. Individuals will be contacted sometime after the first of the year. Not all requests to send a juror can be filled. Six primary jurors will be selected for the state judging. Selections are made based on creating a balance between 2D and 3D mediums, male and female, etc. We also feel it is important to have jurors who represent various ethnic/racial backgrounds. A seventh juror to review films, animations, and other video entries will also be selected.
